Security/Breakages Bond

- A refundable security deposit of £200/\$250 must be paid with the final balance.
- This security deposit of £200/\$250 will be repaid to your party by cheque, within 30 days of your departure, providing the local management have reported no breakages and you have returned the key as requested. We check the inventory prior to your arrival and after your departure and will advise of any faults. These may include additional cleaning costs for spills, stains etc.
- We retain the right to retain the security deposit (either in part or full) to cover breakages, damage or non-return of the key. Receipts for repairs/replacements will be provided in the unlikely event that such retention of the security deposit is required.
- The villa front door key must be left in its security box each time you leave the property. The loss of the door key will result in a charge of £150/\$250 from your security deposit.
- You will be provided with one key for the villa. In the situation that you lock yourself out, you are to phone our management company immediately and they will allow you re-entry into the house. Unfortunately you will incur a small charge for their service depending on the call out time (\$25 in office hours, \$100 out of office hours).
- The client is held responsible for any damage or breakages that may be caused to the property, its contents and also for any items in the inventory during your stay. All damage and faults caused or found at the home must be reported to our management company at the earliest opportunity.
- We reserve the right to pursue a quest for recompense for any and all damages caused which may exceed the value of the security deposit within 14 days of being served notice of this.
- Florida has a sub-tropical climate and care must be taken with food that is left uncovered. Spoiling and contaminating food left uncovered can attract insects very quickly. Any added costs for pest control services incurred from lack of care in this may be passed to you.

Safety and Security

- Due to State Fire Regulations under no circumstances may more than the maximum number of persons identified on the Booking Form occupy the property.
- There are fire alarms situated around the entire villa. Any tampering of these alarms will result in a deduction of \$50 from your security bond.
- Children must be supervised at ALL TIMES whilst in the pool area.
- Glass is NOT permitted in the pool area. Plastic glasses are provided.
- Villa Alarm - Guests must use the villa alarm at all times when the villa is vacated. If the property is burgled and it is found that the alarm has not been set, you could invalidate your travel insurance and lose your security deposit to cover our insurance policy.

- It is your responsibility to ensure that children are always supervised properly in and around the pool and inside the villa.
